The point of the joke from this date until the arrival of the next Champlin's Liquid Pearl you should apply: is that the old grocer had himself failed in popular lunacy. usiness, once or twice! It is quite prob-a sense of coldness of the blood and Your face be wondrous fair and clear;

Chautanqua appears to have seen its best days. Shylock has placed his tey han 6 upon it, and the greed for money appears to lave outgrown the zeal for Christian vir ue. The management and coltage ownship and suppeal will be made to the courts. It is exceedingly unfortunate where religious sentiment and Christian where religious sentiment and Christian where religious reposits. sentiment and Christian virtue are prosti-tuted to the schemes of the money-enabgers. We do not say that this is the ase at Chautaupa, but from the mutterings of correspondents and utterances of the press, there is something wrong at that popular resort.—Toledo Commercial. Chautauqua has not "seen its best days." It is growing larger and better from year to

year. If there is any greed for money it is er a cent for their efficient services, and Messrs. Lewis and Jacob Miller and Mr. F. H. Root, of Buffalo, have each invested over a hundred thousand dollars in Chautauqua and have never taken a cent out of it, and never expect to. The receipts from gate fees are used to employ lecturers and teachers, to pay the running expenses of the concern, to erect college buildings and to Springfield Republic make other improvements. Mr. Miller, Dr. Vincent, Mr. Duncan and their associates are doing a grand work in behalf of the promotion of popular education and culture in the homes of the people of the United The REPUBLIC prints the New York and West- States. What we have stated in the foreera Associated Press Dispatches and the Reuter going we personally know to be true, and it being true, the Chautauqua managers are entitled to the sympathy and support of the country. The legal point at issue between the managers and a few cottage owners (and but a few) will be settled in the courts, according to law and fact, and the result

accepted by both parties. The point in-

and grounds in good condition. It is quite likely that the question at issue among the friends and supporters of the American board of foreign missions will be officially and decisively acted upon at the annual meeting, to be held at Springfield. Massachusetts, the first week in October. SPRINGFIELD, OMIO. Mr. D. L. Torrey, a graduate of Andover seminary, who has declared himself "withforeign missionary, and he puts himself on

his principal reasons, as follows: of himself made in Jesus Christ.

Jamestewn, New York, is one of the slow selling because they are copyrighted and dear. Longfellow is still the best nost enterprising and thriving cities we selling American poet, and after him have seen. It has about 15,000 people and come Whittier, Bryant, Aldrich and Bret s using natural gas, piped from a point 40 Harte.

ful to him when he is unfortunate, as well ment, it was cheap—and that was as when he is prosperous. But the toady enough. hovers about men who are supposed to be them. The most despicable creatue in the Powderly—according to newspaper re-community is a toady. He is a creeping more from it than from all her other ports-is being continually "sot back." human animal heartily despised by all

Mr. Will Carleton, author of "Betsey editions has revolutionized our busin and I are Out" and other very popular poems, lectured, last night, in Temperance hall, on "The Chain of Success." He had a large and very appreciative audience, and we hope he will come to Springfield again. or two ago, and had audiences of 5,000 or 6,000 persons and was greeted with frethat flon. Robert Todd Lincoln is a good, quent and sturdy expressions of approval. strong, sensible, honest man-with a level His writings are of a very wholesome charhead, much firmness, and decided executive acter, and his public readings and recitaability. Mr. Lincoln has served as secretions from them, have done much to form

BOOKS THAT SELL WELL.

Elements of Literary Success. "Copyright has a good deal more to do record, as to a future probation, by giving with it than anything else," said a Broadis principal reasons, as follows:

way bookseller when he was asked what
the books he sold the most of. "It is out support in scripture, and is confirmed by what we may reasonably expect God will do for men, in view of the revelation the books of American writers, because there is no copyright on the English books 2. Because I do not find this hypothesis and they are accordingly low priced. A in contradiction to any of the teachings of new American book will occasionally sell scripture; nor to the doctrines of the early well for a few weeks, but I am talking symbols of the faith, e. g., the Apostles' about the average sales. Next to the Creed or the Nicene Creed; nor to any of the doctrines commonly held and taught in selling book is Tennyson's poems. There

miles away, but it costs \$30 a year for use in a single cooking stove, more than it costs to be the principal attraction. When the two are joined, nearly any sort of a in a single cooking stove, more than it costs to use coal or wood in Springfield. It makes a good fire and is lighted in an instant by a match. The only gain to James town people is in the convenience and cleanliness secured by its use. In open fires the gas burns through slag and makes a bright, bot blaze. It costs more than coal a bright, bot blaze. It costs more than coal cleanliness is seems to be the principal attraction. When the two are joined, nearly any sort of a book can be made to go. I remember the two are joined, nearly any sort of a book can be made to go. I remember the cappy. Remember: No happiness without health. But Green's August Flower brings health and happiness to the dyspeptic. Ask your druggist for a bottle. Seventy-five cents.

Premier Norquay, of Manitoba, is in Chicago. Concerning the railroad war in Manitoba he said: "We are going to get to the boundary line, and that's all there is about a bright, hot blaze. It costs more than coal costs us, here in Springfield, but it does away with coal smut and the bother of lugging in wood and coal and kindling fires. That is to say—it is nice, but it doesn't pay.

There is a radical difference between a There is a radical difference between a friend and a toady. The true friend to the fire that bought it ever tried to unravel the delirious puzzle the book contained, but it bound it is an elaborate and attractive style and threw it on the market as a holiday gift book at \$1.50.

There is a radical difference between a friend and a toady. The true friend to unravel the delirious puzzle the book contained, but the proof reader has ever pecially liable to sudden that bought it ever tried to unravel the delirious puzzle the book contained, but the proof reader has ever pecially liable to sudden that bought it ever tried to unravel the delirious puzzle the book contained, but the proof reader has ever pecially liable to sudden that bought it ever tried to unravel the delirious puzzle the book contained, but the proof reader has ever pecially liable to sudden that bought it ever tried to unravel the delirious puzzle the book contained, but the proof reader has ever pecially liable to sudden the proof reader has ever the delition of Thalaba'—which, you know, is a boundary line, and that's all there is about it."

"Cooper is the best selling American novrich and great because he wants to get something out of them, or to sail along in public favor, wafted by the wind raised by these distinguished people. But as soon as they come to disaster these toadies will for. they come to disaster these toadies will for- and winter, thirty years after its first apsake them, promptly, and turn and rend them.
